<u>Match report for 5/6 Basketball - MKSSP Competition</u> Thursday 9th November 2017

Last night year 5/6 went to play Basketball at Ousedale, Olney. Unfortunately we didn't win but Miss Pollendine said we played well and entered the spirit of the competition.

In our first match, Casey scored a wonderful goal but later on Green Park scored and it was neck and neck. We shook hands with the other team and moved onto our next game. In our next game the opposition were quite tough. We tried our best and were close to scoring many times but it just didn't happen. In our next game we didn't score but again put up a great defence.

We came 6^{th} place overall and certainly tried our best. Miss Pollendine said we had great team spirit.
