

Match report for 4/5/6 Hockey vs Bushfield
Thursday 2nd November 2017

When we got to Bushfield to play Hockey they looked very intimidating because they had mouth guards which were way too big for them and we didn't.

It was Bobby's first time wearing a goalie kit, the first time anyone had worn our new kit, and he struggled to walk in it. At first, Bushfield scored a goal then we all had to work even harder to defend. Luckily, 15 mins later Chester scored a goal for us and we were happy. Millie and Sophie were our defenders and got the ball away for Booby.

The rest of us were very determined and although we lost 3-1 Miss Pollendine said we had tried our best and played really well.
