

5/6 (3/4) Dodgeball Competition 1st February 2018

(Daniel) We were the not the A team but with some encouragement from Miss P we were the B team.

(Phoenix) Sadly, we only won 2/6 of our games but with some great catches from me and Daniel we were happy.

(James) We made some great dodges!

(Daniel) At first, we looked like rabbits in the headlights. By the end we definitely didn't look like rabbits in the headlights - we looked like a strong dodgeball team ready to be the best that we could be.

(Phoenix) If you were to come and watch you would have been proud that Team Cedars were flying the Team Cedars logo and showing the real talent that Team Cedars is made of.

(Daniel) Thank you for listening to our fantastic match report. Oh, and one more thing....

TEAM CEDARS! TEAM CEDARS! TEAM CEDARS!
