

Year 5/6 Dodgeball 8th February 2018

Yesterday Year 5/6 went to a Dodgeball competition at Ousedale Olney. Observing all the teams in the warm-up they all seemed to have different strategies.

After finding where we had to play, we set off to the end court to play Green Park. The team line-up was Maddison, Ellis, Harry, Jade, Isabelle and Alfred. It looked like it might be a tough game but after three 2-minute games we got the 5 points for a win.

The next three 2 minute games were against Giffard Park and Alfred proved to be our best catcher in these games. Giffard Park was hard competition but after working as a unit to throw the balls we slowly got them all out.

After playing against a really hard team we found out next set of matches quite easy. They only had 5 in their team so the rules were changed a bit to keep the game going.

Listening to the results it went down to third place and then (hope it wasn't us) 2nd place and it still wasn't us. Then we knew. Miss P was so proud of us because it was the first time Cedars have won anything at this stage of a competition. We all wore our 'Team Cedars' t-shirts to school the next day.
