Dear Parent/Carers

Re: COVID- 19 - School Care Service

I am pleased to inform that Cedars Primary School will commence School Care Service for **those families who have already confirmed that they wish to access this support from Monday 23rd March 2020.** We endeavor to continue to offer this service throughout the school's formal closure and in line with government requirements, subject to our staffing levels due to illness.

As this is a bespoke service to support the country during these unprecedented times we require you to **read and sign the 'Cedars' Key Worker and Vulnerable Child Agreement' and bring this with you on Monday 23rd March 2020.** Could you also ensure that your child/children bring their paper-based learning pack.

If you have any questions, we will do our best to answer them on Monday 23rd March 2020.

Thank you for your continued support.

Yours sincerely

Lisa Munday
