Dear Parents

Re: Coronavirus (COVID-19) – Home-School Learning Expectations

As you are aware, today your child will come home with 4 weeks of mostly paper based home-school learning that is expected to be completed each day. Inside your child's pack there is also information on website addresses where your child can access additional learning. On the school website under COVID-19 and classes you will find useful website links too.

During the closure, teachers will be able to respond remotely via email (see below) to questions related only to the learning set during the school day between 8:55am-3:15pm enabling your child to continue to learn.

Email addresses

- Early Years (Nursery and Reception): earlyyears@cedarsprimary.org.uk
- Key Stage 1 (Years 1 and 2): keystage1@cedarsprimary.org.uk
- Lower Key Stage 2 (Years 3 and 4): lowerkeystage2@cedarsprimary.org.uk
- Upper Key Stage 2 (Years 5 and 6): upperkeystage2@cedarsprimary.org.uk

We will endeavour to continue your child's education to a high standard during this period of closure. However, please do bear in mind if you experience any delay in responses from teachers, it may be that they are poorly.

I will endeavour to continue to provide regular updates regarding the situation on our school website. May I wish that you all remain safe and healthy during this unprecedented situation. We look forward to welcoming everyone back to Cedars Primary when it is safe to do so.

Yours sincerely
