

The specialist teachers at Milton Keynes Council have made specific information and activities intended for children with a hearing impairment, vision impairment and/or ICT needs (**including E-safety**). These can be found at:

Link: <https://stpstaff.sharepoint.com/sites/SensoryICT/>

Please use the following details to log-in

User: sensory-ict@outlook.com (this email is not monitored, please only use for logging in to the Sensory-ICT site)

Password: Daffodil357

The site also provides free access codes for DocsPlus, Clicker and Clicker Writer (for iPad). These can be used for parents to access Clicker Software and activities free. Initially, this will be for 6 weeks but they have said they may extend this.

Additional support for children with SEND can also be found on the MK Local Offer

page: www.milton-keynes.gov.uk/mksend and the Local Offer Facebook

page: www.facebook.com/MKSEND. The team duty line remains open for parents to call, Monday to Friday (8.30am – 4.30pm) on **01908 657825**. This year it is also open during the Easter break and the bank holidays. Alternatively you can contact them via email on
