COVID-19 SYMPTOMS AT HOME FLOW CHART

Does my child have a temperature, new continuous cough or loss of taste or sense of smell?

Yes

Child stays at home and household must isolate

CHILD MUST GET COVID-19 TEST – RING COVID NHS NUMBER 119 TO ARRANGE A TEST

SCHOOL MUST BE INFORMED OF THE RESULT

Test is positive

Child stays at home for at least 10 days. At the end of the 10 days the high temp must have gone for 48 hours (cough and loss of teste/smell may continue for longer). Family isolate in line with guidance from test and trace for 14 days from onset of symptoms.

If child shows any COVID-19 symptoms they cannot return to school without receiving a NEGATIVE TEST. Unless it is a cough or loss of taste or smell after the isolation period.

Test is negative

If child is well and symptoms gone

No

Does any member of our household have a temperature, new continuous cough or loss of taste or sense of smell?
