

We want every child to be happy, caring and successful.

Single Equality Policy

Introduction

Cedars Primary School is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

Principles

Our approach to equality is based on the following 7 key principles:

1. All learners are of equal value. Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.
2. We recognise, respect and value difference and understand that diversity is a strength. We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to disability, ethnicity, gender, religion, belief or faith and sexual orientation. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
3. We foster positive attitudes and relationships. We actively promote positive attitudes and mutual respect between groups and communities different from each other.
4. We foster a shared sense of cohesion and belonging. We want all members of our school community to feel a sense of belonging within the school and wider community and to feel that they are respected and able to participate fully in school life.
5. We observe good equalities practice for our staff. We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development
6. We have the highest expectations of all our children. We expect that all pupils can make good progress and achieve to their highest potential
7. We work to raise standards for all pupils, but especially for the most vulnerable. We believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school.

Monitoring and Review

The equalities policy and all other relevant policies will be evaluated and monitored for their equality impact on pupils, staff, parents and carers from the different groups

that make up our school. This will be communicated with staff, parents, carers and governors by the Head Teacher.

The Headteacher will be responsible for:

- Providing updates on equalities legislation and the school's responsibilities in relation to this
- Working closely with the governors
- Supporting positively the evaluation activities that monitor the impact and success of the policy on pupils from different groups, e.g. SEND, Children in Care, Minority Ethnic pupils (including Traveller and EAL children) and Free School Meals, in the following recommended areas:
 - Pupils' progress and attainment
 - Learning and teaching
 - Conduct, discipline and exclusions
 - Attendance
 - Admissions
 - Incidents of prejudice related bullying and all forms of bullying
 - Parental involvement
 - Participation in extra-curricular and extended school activities
 - Staff recruitment and retention
 - Visits and visitors

To secure the best possible outcomes we recognise that adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity.

In addition:

- Pupils' views are actively encouraged and respected. Pupils are given an effective voice for example, through the School Council, pupil surveys and there are regular opportunities to engage with pupils about their learning and the life of the school
- Positive role models are used throughout the school to ensure that different groups of pupils feel welcomed and included
