Dear Applicant,

**Re: Nursery Manager, September 2024**

Thank you for your interest in the above post. This is an excellent opportunity to join the staff team of our well-established and popular school. Cedars Primary and Nursery enjoys an excellent reputation, has much strength and is a good school. We are committed to working towards our overall aim of ensuring that every child is happy, caring and successful.

Cedars serves the community of Newport Pagnell and its surrounding areas and is located in the heart of the town. The historic school building dates from the end of the nineteenth century but has been modernised and updated to meet the needs of a twenty first century school. There is an exceptionally strong sense of community at Cedars, and we pride ourselves on our positive relationships – our outstandingly behaved children really enjoy coming to our school and nursery and our highly committed staff really enjoy working here!

We are looking for a high-quality early years practitioner to join our team. The successful candidate will need to have experience of working in the early years, a real commitment to achieving the very highest of standards for our children and excellent communication and interpersonal skills. Flexibility and the ability to work well with the rest of the staff team are equally important qualities.
