

Nursery

Spring 1 2024

Winter Wonderland

This half term the children will be learning about the changes that happen during winter, including the types of weather associated with winter. We will think about what kind of clothes we need in winter and how they differ from summer. We will explore places that have snow all year round and the types of animals that live there. As part of learning to look after wildlife in winter, we will be making bird feeders and looking to see which birds come to use them. Our key stories for this term are A Dot in the Snow - Corrinne Averiss and we will talk about how this story links to the world around us. We will learn to use language to describe the world around us and have fun re-enacting the journeys taken. These stories will be the stimulus for learning about our local environment and much more.

We will also be welcoming our new January starters and can't wait to make lots of new friends.

Areas of Learning	Early Learning Goals
Communication and Language	Listening, attention and understanding; Speaking
Personal, Social and Emotional Development	Building Relationships; Self-Regulation; Managing Self
Physical Development	Gross Motor Skills; Fine Motor Skills
Literacy	Comprehension; Word Reading; Writing
Mathematics	Numbers; Numerical Patterns
Understanding the World	Past and Present; People, Culture and Communities; The Natural World
Expressive arts and design	Creating with Materials; Being imaginative and Expressive

Ways you can help at home:

- Talk about the changes they can see in the environment.
- Talk about clothes they wear to keep warm
- Talk about things they can do on winter evenings and things they can do on summer evenings and begin to notice the difference in day length.
- Encourage children to retell stories

Things the children could do

- Take photographs of the environment in winter.
- Put out bird food and watch to see which birds visit.
- Try to identify different birds
- Look at different materials such as wood, glass and plastic and begin to recognize what things are made of.

Reminders

Please provide your child with only essential resources, for example: spare clothes and named lunch box. Please provide your child with a named, refillable water bottle that is taken home each day for washing.

The adults in Nursery are:

Mrs Smith (Nursery Manager)

Mrs Surman and Miss Smith (Teaching Assistants)

Thank you for your continued support.

Mrs Smith
